### ORGANIC INGREDIENTS

- ✿ Organic Glycerin
- ✿ Organic Lecithins (Available in Liquid & Powder Formats)
- ✿ Organic Vegetable Oils (Soy Oil, Canola Oil, etc.)

### ORGANIC ANTI-STICK PRODUCTS

Let us solve your sticky processing problems!

- Prevent your organic products and ingredients from sticking to contact surfaces during the manufacturing process.
- Organic formulations are available for numerous applications including candy, baked goods and meat processing.

### ORGANIC INGREDIENT BLENDING

Let us custom blend **your** Certified Organic Ingredients to **your** specifications using materials supplied by **your** company or by ours. Liquid, Paste and Powder Blending Services are available.

Our Contract Blending Services have proven to be an outstanding option for:

- Start-up lines. No up-front investment required.
- Ingredient importers that need to customize their products.
- Existing processors who do not have the cGMP's or available space for Organic production.
